

HOW YOU CAN PREPARE PERSONALLY FOR THE PUBLIC PRAYER AND WORSHIP SUMMIT

Prepare: Read and reflect on one or more of these passages:

John 17:20-21

Ephesians 4:1-6

Isaiah 64:1-2

Matthew 21:13

Colossian 4:2-6.

Pray: In solitude and silence, pray in confession, repentance, thanksgiving, and supplication. You may want to review some of these passages as you think about the purpose of your prayers.

Psalms 37:1-7

Psalms 139: 23-24

2 Chronicles 7:12-16

1 Timothy 2:1-7.

Participate: There will be two segments of the prayer and worship to participate in, led by the Ignite team and local leaders.

1. Corporate Prayer and Worship for Unity
2. Corporate Prayer and Worship for Spiritual Awakening

During both of these you will have options to engage in private prayer in groups of 3-5, or alone, or walk, kneel or go to the wall to write out prayers.

Bring your voice, your silence, your longings and your celebration. You do not have to pray in public, out loud, or in small groups unless you are comfortable.
